

January 2026

Help us find these former members owed 2023 capital credits

We need your help to find past members of Boone Electric Cooperative for whom there is no current forwarding address. They have capital credit dollar amounts that are still outstanding and owed to them from 2023.

To claim these funds, these former members must contact us or complete a "Request for Capital Credits" form, which can be downloaded from our website. After two years, unclaimed capital credits are donated to the Boone Electric Community Trust. For further information or to claim your capital credits, call Boone Electric at 573-449-4181 or email us at Comments@BooneElectric.com.

Individuals claiming capital credits have the option of receiving a check or donating the money to the Boone Electric Community Trust or the cooperative's CASH or HELP programs.
